

2015 IOWA INDUSTRY PROFILE

EDUCATIONAL SERVICES

IOWA WORKFORCE DEVELOPMENT

Executive Summary

In 2014, the **educational services** sector about 9.63 percent of all employment in Iowa, with 146,050 jobs. The average annual wage was \$41,940 for 2014, which is just 1.4 percent less than the state average wage of \$42,536.

This publication accounts for both public and private employment. Therefore, non-profit schools (e.g. parochial schools) are represented here. Local school districts are the largest portion of educational employment followed by **colleges & universities**, but this sector also includes things like dance lessons, sports instruction, and educational consultants.

Employment in **educational services** has generally trended upward, although employment took a small hit in 2010 as government and other employers had to prune employees due to the recession. This sector has grown by 9.1 percent since 2006. Over the same period, average wages increased by 25.3 percent over the same period.

Most employees in this sector are women, who hold 68.9 percent of all **educational services** jobs in Iowa.

EDUCATIONAL SERVICES IOWA INDUSTRY PROFILE

What is Educational Services?

This sector comprises establishments that provide instruction and training in a wide variety of subjects. Specialized establishments, such as schools, colleges, universities, and training centers, provide this instruction and training.

These establishments may be privately owned and operated for profit or not for profit, or they may be publicly owned and operated. They may also offer food and accommodation services to their students.
